We take this method of thanking our many friends, neighbors and relatives for the kindness and assistance shown us during the sickness and death of our beloved son.
BEN YOUNG,
REBECCA YOUNG.

The Breathitt County Sunday School Convention for 1909 will be held in the Methodist church in Jackson September 23 and 24. This is to be a big thing in church circles—an important thing. A good program is being planned.

Regular preaching services in the Presbyterian church Sunday, Sept. 5, by the pastor, both morning and evening.

The Sunday School and Young People's Society of the church have kept up their attendance nicely during the hot weather and are in condition for aggressive work during the Fall and Winter.

Tommie the 11 year old son of Ben Young died at St. Joseph Hospital at Lexington, Friday Aug. 27th of appendicitis. He was stricken Tuesday evening and was taken to Lexington Thursday morning and was operated upon, but to no avail. His remains were brought back here and buried in the Smith grave yard Saturday.

Arrangements have been perfected to hold a series of evangelistic services in the Presbyterian church in Jackson. These services will begin Sunday, Oct. 3d and continue several weeks under the charge of Rev. J. M. Evans, of Maysville. Mr. Evans has been very successful in his preaching in building up the membership and strengthening the churches where he has labored, and much good is anticipated from his labor among us.

Cigarette Kills Ten.

Of course it had help, but one cigarette, put into the wrong place last week, resulted in the death of ten men near Key West Fla. The wrong place was a box of dynamite and fuses, to be used on the construction of the East coast Railway.

Airship Race.

Any one who has any doubt that the air has really become a highway, over which men may travel, would have had his doubts settled if he had been at Rheims, France, last week when aviators from all over the world met in races. The Wrights were too busy elsewhere to take part, but the chief prize, that for the fastest trip, was won by an American, Glenn H. Curtis. An Englishman, Henry Farman, won the prize for the longest trip, going 112 miles without alighting. The speed trip was made at about sixty miles an hour.

At the Democratic convention held at Vancleve on August 30th, to nominate Democratic candidates for justice of the peace and constable for Magisterial District No. 2, J. R. Terrill was nominated for justice of the peace and George Taubee for constable. It is a fine selection and will be heard from on election day. The convention was enthusiastic and harmonious, endorsing Redwine and Johnson and the whole ticket. We received the full proceedings too late for publication.

Rev. J. B. Flinchum of Simpson passed here on his way home from Clay City Wednesday where he had been conducting a ten days meeting. He was assisted by Rev. Paul Derthick of Jackson and L. F. Martin of Monica. There were 39 additions to the church and the meeting was a great success in every way.

Strayed

To my premises at A. C. Cope farm, one black hog with some white spots, marked with a split in each ear and overbit in right. It will weigh about 80 lbs. Owner can have it by proving it and paying charges. John D. Spencer.

Rev. R. L. Kinnaird returned last Saturday from the Big Creek community in Perry county, where he held a successful meeting of one week. There were nine who united themselves with the Presbyterian church at that point and the work was stimulated along all lines. The people of that district are much interested in building a good academy for higher education and the Presbyterian church will probably aid its establishment in the near future.

FOR YOUR HEALTH'S SAKE

GET YOUR OXYGEN.
It is of the utmost importance that human beings have an abundance of oxygen at all times. This means day and night, summer and winter. It is scarcely necessary to give this sort of advice for the summer season; but when the weather gets cold many people are afraid of cold air and others think it is a waste of fuel to heat fresh, cold air, so they keep it out.
This is poor economy, to say the least. In fact, it costs more, as a rule, than it is worth to your health and earning capacity as having any monomaniacal value.

The Value of Good Digestion

Is easy to figure if you know what your stomach is worth. Kodol keeps the stomach at par value, by insuring good digestion. Kodol cures Dyspepsia.

Kodol insures good digestion by absolutely duplicating Nature's normal process, in perfectly digesting all food taken into the stomach.

While Kodol is doing this, the stomach is resting—and becoming strong and healthy. A strong and healthy stomach guarantees a sound and active brain.

The man with a sound stomach—a stomach that is doing for the body just what Nature intended it to do—is the man who is always prepared for any emergency. He is "there with the goods."

The man with a sick stomach, is a man sick all over. When the stomach is irritated by undigested food, the blood and heart are directly affected. Then dizziness, unnatural sleepiness, sick-headaches, vertigo and fainting spells, and even serious brain trouble develop. Spurring the stomach and brain

to special effort by "tonics" and "stimulants" doesn't cure anything, or accomplish any good. Neither does dieting. Indigestion and the serious ailments which it induces can be averted and corrected only by natural means.

Kodol supplies this natural means. It performs the stomach's work for it—just as the stomach should perform it—while the stomach takes a little rest, "for the stomach's sake."

Our Guarantee
Go to your druggist today and get a dollar bottle. Then allow you have used the entire contents of the bottle if you can honestly say, that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will give you a druggist's receipt for our guarantee is good. This offer applies to the large bottle only and to but one in a family. The large bottle contains 2 1/2 times as much as the fifty cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.

Sold by Jackson Drug Company.
